

## **CALGARY**

# **Weekly Newscasts Lesson Plan**

## **FEBRUARY 01, 2016**

Newscasts are current news stories read at a slower pace than you might hear on the radio. These are read by CBC news editor Natasha Frakes.

### **Objectives:**

- To develop listening skills
- To increase vocabulary
- To increase awareness of grammatical structures and functional language
- To increase knowledge of current events
- To provide a user-friendly, self-study tool for learners, as well as an ESL classroom resource for instructors

### **Contents:**

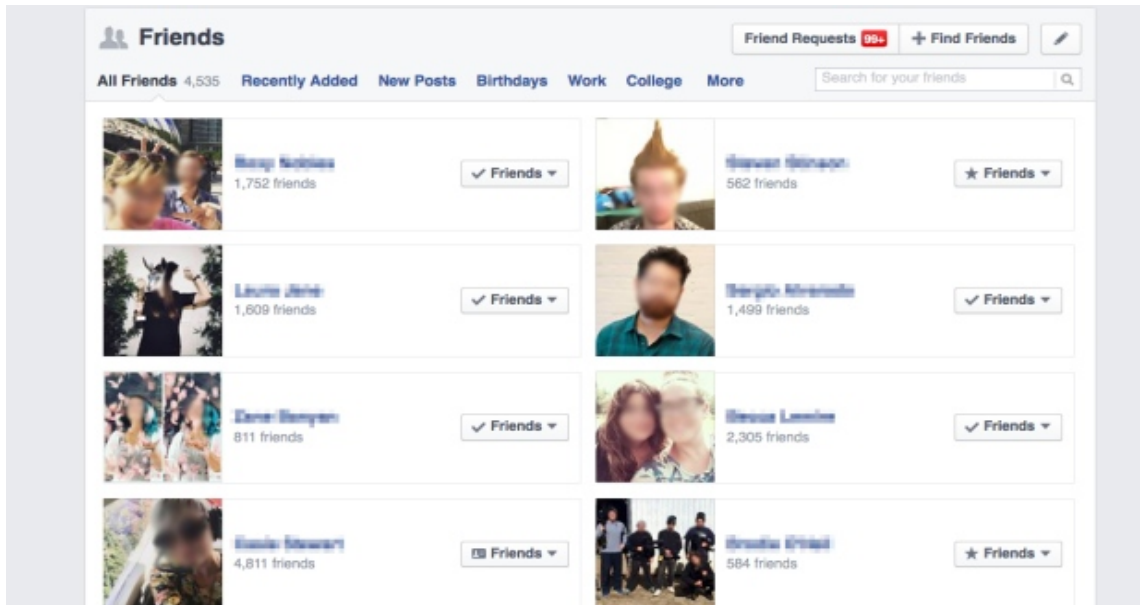

Three news stories are featured in each weekly lesson plan. Each lesson contains vocabulary and listening comprehension activities. At the end of each lesson, you will find a complete transcript and an answer key. This lesson plan is aimed towards learners at an intermediate language level (i.e. Canadian Language Benchmarks 4-5 or equivalent).

Learning English with CBC is a joint project with CBC Calgary, CBC Edmonton, and the Government of Alberta. Lesson Plan is prepared by Kathleen Hall via Communication4Integration Inc.

### LISTENING ACTIVITY 2

Listen to Newscast 1 again, and decide if the following statements are true or false. Put **T** next to true statements and **F** next to false statements.

1. All your Facebook friends are really your friends. \_\_\_\_\_
2. The usual Facebook user has only 14 friends. \_\_\_\_\_
3. All of your Facebook friends will help you in an emergency. \_\_\_\_\_
4. If you have more friends on Facebook, you usually have more friends. \_\_\_\_\_  
(See answer key)

### LISTENING ACTIVITY 3

Listen for the following numbers in Newscast 1, and put them in the correct category in the table below: An example is done for you.

5,000      13.6      50      4.1      14

Friends on Facebook	Close Friends	Mean of People in their Social Clique
		4.1

(See answer key)

### DISCUSSION QUESTIONS:

Do you think that all of the people in your social network should be “real” friends? What are some advantages of having a large social network even if all of the people are not your real friends?

## NEWSCAST 2: TIAN TIAN IS MAKING A LOT OF PEOPLE SMILE

<http://www.cbc.ca/news/trending/washington-zoo-panda-snow-1.3417345>

### WARM UP

Push the play button  or copy and paste the link above and watch the video of Tian Tian. Would you share this video with friends, and family? Why or why not?

### LISTENING ACTIVITY 1

Listen to Newscast 2 for overall comprehension. Then, circle your response to the following question:

How important was watching the video of Tian Tian to your understanding of the Newscast?

Not Important

Somewhat Important

Important

### LISTENING ACTIVITY 2

Listen to Newscast 2. Listen for the following numbers. Put a checkmark (✓) next to the numbers when you hear them.

NUMBER	✓		✓		✓
18		265		1	
7.5		440,000		80,000	

### LISTENING ACTIVITY 3

Listen for the numbers in Newscast 2 again. What does each number represent? The first one is done for you as an example.

### VOCABULARY ACTIVITY 1

Review the Social Media Lingo (Language) below:

**Facebook** is a popular free social networking website that allows registered users to create profiles, upload photos and videos, send messages and keep in touch with friends, family and colleagues.

**A Facebook post or status update** is a comment, picture or other type of media that a user puts on their Facebook page for their friends to see.

**Views:** watching a video for at least 3 seconds on Facebook or more than 30 seconds on YouTube is considered a view. The number of views are often listed under the video.

**Share:** A Facebook share is when you click the share button to share a photo, article, or video on Facebook. When the share button is clicked, the user's friends will then be shown the shared content when they view the user's Facebook page.

**Twitter** is a free social networking service that allows members to broadcast short posts called tweets. Twitter members can broadcast tweets and follow other users' tweets.

**Tweet:** short posts of 140 characters or less (letters or symbols – not words) that are uploaded to Twitter by cell phone or text message are called tweets.

### DISCUSSION QUESTIONS

Discuss the following questions with a friend or colleague:

How are companies using Facebook? Do you think it is important for companies to promote their products using Facebook? Do you think that companies should be able to post ads on Facebook? Why or why not? Is Facebook as popular in your country as it is in North America?

### NEWSCAST 3: RICK MERCER'S LATEST RANT

<http://www.cbc.ca/news/canada/calgary/mercero-report-rant-energy-east-denis-coderre-1.3419646>

#### WARM UP

Do you watch Canadian comedy shows? Do you like shows that present the news in a humorous (funny) way? Are you familiar with Rick Mercer or his show called *The Rick Mercer Report*? Do you know what rant means? If not, look it up.

Rick Mercer is a Canadian comedian, television personality, political satirist and author. He is best known for his work on CBC television comedy shows *This Hour Has 22 Minutes* and *The Rick Mercer Report*. He is the author of three books, based on content from the television shows. Mercer has received more than 25 Gemini Awards for his work on television.

([https://en.wikipedia.org/wiki/Rick\\_Mercer](https://en.wikipedia.org/wiki/Rick_Mercer))

#### VOCABULARY ACTIVITY 1

Review the word combinations (collocations) in the box below. You are given a simple definition of each word combination. Based on the definitions, try to understand the meanings of any new vocabulary.

Collocations	Meaning
ticked off	upset, angry, annoyed
opposition to	not in agreement
challenge to	test or difficulty with
proposed project	future or suggested plan
export terminal	station where goods are shipped abroad
latest rant	most recent angry lecture
goes after	attacks

enough in it	have sufficient benefit
nothing to do with	not involved with; not related to; not about
concedes that	admits that
addicted to	something we must have, use or do
sitting on	own or possess
whole bunch of	a lot of
best interest	something beneficial or advantageous
points out that	tells that
"have-not" province	poorer provinces
transfer payments	money the country gives to poorer provinces for healthcare, education, and welfare, so each province's average per person revenue is equal.
make sure	check, see that something is done
standard of living	someone's wealth or comfort level
all in this together	we are all affected; we are all one
is tanking	is failing
what's in it for	what's the advantage for

### PRE-LISTENING ACTIVITY

Review the word combinations listed below once more before listening. You will hear these combinations in the newscast.

ticked off	goes after	sitting on	transfer payments
opposition to	enough in it	whole bunch of	make sure
challenge to	nothing to do with	best interest	standard of living
proposed project	concedes that	points out that	all in this together
export terminal	addicted to	"have-not" province	is tanking
latest rant	what's in it for		

### VOCABULARY ACTIVITY 2

Now listen to the newscast again and fill in the blank with the word that you hear.

If you're an Albertan ticked off by Montreal Mayor Denis Coderre's opposition \_\_\_\_\_ Energy East, you're not alone.

The mayor's opposition is the latest challenge \_\_\_\_\_ TransCanada's \_\_\_\_\_ project, which would carry 1.1 million barrels of oil sands crude a day through Quebec to an export \_\_\_\_\_ in Saint John, N.B.

In Rick Mercer's \_\_\_\_\_ rant he goes \_\_\_\_\_ Denis Coderre for saying the pipeline proposal doesn't have enough \_\_\_\_\_ it for Montreal.

"This has nothing \_\_\_\_\_ do \_\_\_\_\_ Montreal, this has \_\_\_\_\_ to do with Quebec," Mercer said. "This is about one part of Canada trying to get their natural resources to the world market." Mercer concedes \_\_\_\_\_ while many Canadians "hate the fact that the world is addicted \_\_\_\_\_ oil and Canada is sitting \_\_\_\_\_ a whole \_\_\_\_\_ of it," it would be in the country's \_\_\_\_\_ interest to approve the project. "We all need this thing," said Mercer.

He points \_\_\_\_\_ that as a "have- \_\_\_\_\_" province, Quebec received \$9.5 billion in transfer \_\_\_\_\_ last year to make \_\_\_\_\_ all Canadians have the same standard of \_\_\_\_\_.

It's a fund that Alberta pays into because of its oil wealth, even though the provincial economy is \_\_\_\_\_. Mercer reminded his viewers that "we are \_\_\_\_\_ in this \_\_\_\_\_ and it is time for provinces to start asking what's \_\_\_\_\_ it for Canada, not just what's in \_\_\_\_\_ for me."

(See answer key)

#### **EXTENSION ACTIVITY:**

Push the play button  or copy and paste the link in your browser to watch the video of Rick Mercer's Rant. After you have watched the video, think about how useful listening to Newscast 3 was to your understanding of the video of Rick's Rant.

#### **SPEAKING ACTIVITY 1**

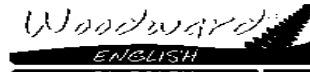

Now try to summarize Rick Mercer's latest rant. Feel free to listen to it again. If you are in a class, work with a partner. Take turns to summarize the video. If you are doing this lesson independently, record yourself summarizing the story and play it back.

#### **DISCUSSION QUESTION:**

Do you think that Rick Mercer's rant is a good way to address important political issues? Would you like to hear more of Rick Mercer? If yes, check out The Rick Mercer Report on CBC Television.
